

EEO-1 Reporting in Workday Just Got Way More Simple.

Introducing Kognitiv's Client-Driven Solution for Accurate, Easy, and Streamlined EEO Reporting.

The next owner of this task will never know the challenges faced from having to manually manage this data and the tedious nature of annual data input. It's ... something I could have never imagined was a possibility... thankful for your vision and determination to make it a reality.

Kognitiv EEO Reporting Pilot Customer,
Award-Winning Global Company with 1,500+ Employees

Do your reporting in-house, in hours—not days or months.

For many Workday clients, EEO Reporting season was the most dreaded time of the year.

Kognitiv is changing that with our latest solution.

This Kognitiv Compliance Solution takes time-intensive, manual tasks for regulatory reporting, and replaces them with simple one-click solutions to get the reports you need, quickly and ready for filing.

No more spreadsheets, no more data entry.

Kognitiv Compliance Solution for EEO-1 Reporting: How it Works

Dashboard

Customizable reports to audit data for accuracy and completeness, year-round, making filing season a breeze.

Integration

One-click reporting supplying data ready to file electronically, no additional tweaking required. Simply download and upload!

Knowledge
